Dear Friends,

Now, more than ever before, it is vital to come together as a community for Israel, in Israel. As a supporter of A4BGU, you are invited to two extraordinary Israel experiences, united by one vision for a better tomorrow.

**First, we invite you to visit Eilat on May 15-19, 2024.**

On the shores of the Red Sea, explore our inspiring, intimate satellite campus, and see how its graduates are advancing Israel's southernmost city – and the world.

**Then, join us in Be'er Sheva for BGU's 54th Board of Governors on May 19-23, 2024.**

On BGU's beautiful campus, we'll get to know the passionate students and faculty who stepped up for Israel since October 7, meet with BGU President Prof. Daniel Chamovitz and key decision-makers, witness how science and technology are making a global difference from the heart of the desert, and so much more.

Our collective presence in Israel during this difficult time will make a meaningful and long-lasting impact on the university, the region, and our people. We hope you'll join us.

TOGETHER WE WILL PREVAIL
