NOTES:

1. The rates are for ages at the nearest birthday.
2. To comply with IRS rules, Americans for Ben-Gurion University will reduce the gift annuity rate, if required, to whatever level is necessary to generate a charitable deduction equal to at least 10% of the value of the contribution.

* In the month you use cash to establish a gift annuity, a final calculation is made determining the portion that will be paid to you tax-free.
