MBA INTERNATIONAL PROGRAM

Ben-Gurion University of the Negev

Your MBA. In English. In One Year. In Israel.
Are you ready to take the leap?

MBA International Program

Our one-year English language MBA program is designed for working professionals and international students. The program allows the opportunity to earn an MBA, explore the Start-Up Nation, and expand their professional horizons through experimental learning in cooperation with the high-tech park near the university. Our program comprises core business modules alongside with innovative management model that asks "why" on top of "how" and "what," advanced courses, intensive workshops, development and personal accompaniment, and an opportunity for an integrative internship experience.

The MBA-IP is more than just a degree program – it's a community of students from all over the globe and like-minded professionals who are passionate about making a positive impact on the world, and diversity of perspectives. With access to a wide range of networking opportunities, mentorship programs, and career services, the program graduates are well-equipped to succeed in a variety of industries and sectors.

OUR PROGRAM

The MBA International Program at the Guilford Glazer Faculty of Business and Management is a unique, integrative one-year study program: "from idea to reality" – combines complementary courses, core courses, elective courses, and workshops into one mission, which is to create and execute a personal vision and professional project.

Program length: 12 months

Students from all over the globe

Balancing work, life and
MBA studies

WHY US?

- The MBA International Program is a one-year English speaking program.
- The Program includes international students as well as students from Israel.
- The program focuses on both the practical and theoretical aspects of business administration and offers internships in the industry, case competitions and practical workshops.
- We encourage and assist our students in networking, leadership, personal development, and qualifications.
